Are there any classes that can check for excellent students in certain areas as in math  
(asian)

I wish Tyrone and HWHS ran the same way as Beacon Elementary

What is the purpose of the Ethnicity question?

I don't mean to sound negative, but I just feel like he is being taught ideas that he learned in daycare. Alphabets and colors he learned by 2 ½!! He should be reading and real math and music, I believe!

Thanks for what you do!

Parents are very rude at pick up time. People need to be ticketed for not following the law or we are teaching out kids that it is ok unless you get taught.

Great school, great teachers. Keep up the good work!

School Board needs to take the hard economic times into consideration and not charge for everything. Money is going down in households and cost at Beacon is going up, LATCHGKEY, POPCORN etc. Money, Money, Money seems to be the Beacon way.

Thank you so much for teaching my child what she needs to know.

I'm happy to have my son have a great teacher that is willing to help him.

I love you guys

My child loves this school and so do I. Keep up the good work.

I want my son \_\_\_\_\_ to pick up his academic in reading, writing, behavior getting along with others. I want to see more progress in his working skills because as his mother I know \_\_\_\_\_ can do it.

Beacon is awesome!

Teachers keep up the good work! Thanks for moving the patience to teach our children.  
Thank you for keeping them safe when they are in your hands.

I am very pleased with the HW District. My child has a great learning experience and the staff always makes me and my family feel welcome. My youngest son will soon be aboard.

Wanted school is understand it's not the school subjects/lessons she's unhappy with but her daughters progress in the areas. Her daughter is having difficulty and is behind.
